McHenry Hohnen Wines are one of many new vineyards we added to our 2011 wine list. In 2006, David Hohnen and his brother-in-law Murray McHenry launched McHenry Hohnen, a family owned wine producer sourcing grapes from four vineyards around the Margaret River in Australia. The Mediterranean climate of the Margaret River is perfectly suited to growing varieties associated with southern France and Spain as well reflecting the regions heritage with Bordeaux varieties. Common sense farming philosophies are employed, cultivating a system in which soil and its organisms, along with plants, insects and animals co-exist in a thriving equilibrium.

Hidden Treasure Discovered...

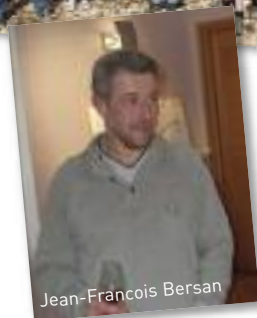

Sauvignon de St. Bris – J-F Bersan.

On a recent sales team trip to Chablis we discovered one of the regions hidden treasures. Nestling within Burgundy is the little town of St. Bris, whose vineyards are planted with Sauvignon, not Chardonnay.

The resulting “Sauvignon de St Bris” is delightfully aromatic with crisp acidity and nice weight, showing similarities to the Sauvignon wines from Touraine in the Loire.

The team tasted the wine in Jean-Francois’ beautiful cellars and unanimously insisted there and then that we had to list it. A simply stunning wine.

Specialist Imported Draught & Bottled Beers

Demand is increasing for quality imported draught and bottled beers. Be different!

Please speak to your sales person regarding installations, pricing and quality point of sale material.

These niche brands demand a price that gives you a greater cash margin over your typical high street brands.

Vedett Extra Blond 5.0% 30 Litre Keg

Currently the fastest growing beer brand in Belgium, distinctive, alternative and very cool, Vedett Extra Blond is a hoppy and refreshing pilsner that enjoys an incredibly loyal brand following thanks to its unique, quirky, retro style.

Until 2010 it had only been available in bottles, but the launch of Vedett Extra Blond on draught has been greeted with massive interest from the trade. New branded glassware and one of the most eye-catching fonts produced in years ensure that Vedett will be the star of any bar.

Flensburger 4.0% 50 Litre Keg

Flensburger Lager is produced solely for the export market and is a much softer beer than its bottled brothers. Pale golden in colour, almost reminiscent of a 'Dortmund' style beer, but with a northern twist.

Flensburger is Germany's most northern brewery located on the shores of the Baltic near the Danish border.

The brewery still operates its own water well supplied by an underground vein of melting Ice Age water sourced from Scandinavia.

Erdinger 5.3% 30 Litre Keg

Located in the heart of Bavaria, Erdinger Weissbräu is the world's biggest wheat beer brewery. They combine traditional recipes and modern technology to provide 'the ultimate in wheat beer enjoyment'.

An excellent fruity alternative to lager or cask beer, tasting deliciously crisp and refreshing, Erdinger Weissbier is available in three different draught varieties. Erdinger Weiss is the undisputed classic in the product range, whilst Dunkel is rich and smooth with a chocolate aroma. Urweisse has a stronger and more spicy aroma and a distinctive yeast flavour that creates an unmistakable top-fermenting beer profile.

Liefmans 4.2% 20 Litre Keg

Since 1679, Liefmans have been one of the cult breweries of Belgium. Their distinctive flavours derive from the process of mixed fermentation in open vessels, a blending of young and old beers and bottle-ageing in the cellars at Oudenaarde. A lovely brewery making truly great beers.

Liefmans Fruitesse is a fresh beer blend, sweet, sparkling and refreshing, a combination of natural juices of strawberry, raspberry, cherry, blueberry and juniper berry.

Brooklyn Brewery 5.2% 30 Litre Keg

An unlikely pairing of a journalist and a banker teamed up to create the Brewery in 1987 and have become world famous for their refreshing and innovative style, both in their beer and in their brand.

Brooklyn lager has won numerous awards, beginning with first place at the Great American Beer Festival in 1989. A superb balance of sweet malt and crisp bitter hops dry hopped for more flavour.

Milton Glaser, best known for his iconic 'I♥NY' logo designed the Brooklyn logo and still designs all their artwork to this day.

Lindeboom 5.0% 50 Litre Keg

Established in 1870, the Lindeboom Bierbrouwerij is a small independent family brewery from Limburg, the southern most part of the Netherlands.

Brewed using water from their own spring, Lindeboom is a high quality, very drinkable, fruity pilsner from Holland with a snappy hoppiness to finish. A genuinely sparkling and refreshing lager.

Menabrea 4.8% 30 Litre Keg

Quite rightly considered to be a true classic, Menabrea is the flagship beer from Italy's oldest brewery. A light coloured pilsner-style lager with a full flavour that belies its delicate appearance. It is certainly in the premium strength category yet well balanced and retains plenty of citrus zest, floral and subtle hop flavours.

To this day, Menabrea is the only Italian lager still brewed using a completely natural 'slow fermentation' process which also uses pure water from the nearby Alpine mountains.

Menabrea has twice won gold at the Chicago International Beer Championships where it saw off competitors including Grolsch Premium and Heineken.

Vedett Extra Blond 5.2%
24 x 33cl bts

Vedett Extra Blond is a premium beer brand but is in a class of its own when it comes to style and attitude, and is seen as 'the cult beer of Belgium'.

Duvel 8.5%
24 x 33cl bts

The classic strong, golden beer with a large creamy head. Duvel means 'devil' in Flemish and is sinfully deceptive: light in body, pale in colour with a subtle fruitiness and distinctive, delicate taste to lead you into temptation.

Duvel may look like a lager but it is a top fermented beer, enjoyed at its best when served chilled and in its own distinctive glass. Thanks to the balance between a fine aroma and subtle bitterness, this beer occupies a unique position in the rich Belgian beer tradition.

India Pale Ale
24 x 35.5cl bts

Since 1988, when craft beers in the USA were still in their infancy, Goose Island have consistently brewed Chicago's finest and freshest hand-crafted ales and lagers.

Originally brewing from their own brewpub, just a short distance from Chicago's Wrigley Field baseball stadium, Goose Island continue to brew an innovative selection of over 50 craft beers, the best of which are bottled at their Fulton Street brewery.

Goose Island India Pale Ale is quite simply a hop lover's dream - this classic ale adds a fruity aroma, set off by a dry malt middle, to ensure that the long hop finish is one you'll remember.

Flying Dog 5.5%
Doggie Style Classic Pale Ale
24 x 35.5cl bts

Whether or not you believe the stories surrounding the start of Flying Dog, what we do know is that since 1990 when they started brewing in Aspen, Colorado they have produced some of the best American beers in their own indomitable creative spirit.

The 'Doggie Style' Classic Pale Ale is brilliant-amber in colour and dry hopped with buckets full of Cascades for an unrivalled hop flavour and aroma. This is a true representation of an American-style Pale Ale.

As for those bottle labels and names, that's down to a certain Hunter S. Thompson and Ralph Steadman...

Brooklyn Lager 5.2%
24 x 35.5cl bts

Only ever brewed in New York to a pre-prohibition recipe, Brooklyn Lager is seen as a genuine classic and very much one of the Big Apple's hometown beers. Acclaimed as the "Best Craft Lager in America", Brooklyn Lager has also been awarded the Gold Medal at the Great American Beer Festival – a genuine world class premium beer!

Amber-gold in colour, Brooklyn Lager has a fine bitterness and floral hop aroma. Caramel malts show in the finish, with the aromatic qualities enhanced from dry-hopping during the long, cold maturation process.

A wonderfully flavourful beer, smooth, refreshing and very versatile with food.

Chimay Red 7.0%
24 x 33cl bts

"Here, in this heaven of peace and silence where since 1850 Trappist monks have dedicated their life to God, products are made which, in themselves, gladden the heart of man."

Take a bottle of Chimay, open it and immediately you will notice the beer is giving off subtle aromas. Best enjoyed when poured into its distinctive chalice glass, this is no ordinary beer, this is a Trappist beer of incomparable tradition.

Chimay Red is a dark brown colour with a sweet, fruity aroma and nutty character.

Schneider 5.4%
Wheat Beer
12 x 50cl bts

A brewery of great history and tradition, Schneider can be credited with resurrecting a style of beer that came close to extinction in the late 1800s and has since built up the reputation of being the most distinguished brewer of wheat beers in Germany.

Schneider Weisse Original is a rich and full bodied wheat beer, with an amber-mahogany colour and streaked with fine top-fermenting yeast and a fine, persistent head that adheres well to the glass.

A uniquely satisfying experience and, compared with many German Weisse beers, it is very full flavoured and spicy.

Früh Kölsch 4.8%
20 x 50cl bts

A style distinctive to Cologne, the name Kölsch is protected by law so that only beers brewed in and around the city can bear the name.

Früh is well regarded in the city and considered one of the best Kölsch beers. Probably the most famous place to drink Kölsch being tavern Früh near to the cathedral in Cologne.

A very drinkable beer with an unsurpassed balance of malt and soft delicate hops, pale gold in colour with a good lasting head.

Wild new look, same great cider.
