Monday 15th March 2010
Tasting Notes

H.T. WHITE & CO. LTD.

Welcome! to our 2010 Wine Tasting !

We hope that we have selected an interesting range of wines for you to try. There are plenty of new wines on show and we have highlighted these throughout the book. Several wines have naturally moved on a vintage and quite a few have undergone a change in presentation.

Stands 10 and 11 are our own selection of exclusive wines from the New and Old World and the H T White staff are on hand to help you select some new wines. If you have any questions, please ask any exhibitor or one of the H T White team who will be happy to help.

Enjoy!
